Home Application STARTING AT \$1250

REACTIV8® helps prevent shingle blow-offs in high winds.

Shingle Rejuvenation

- WATERPROOFS the shingle and RE-BONDS granular to the asphalt.
- REINFORCES the bonds between the layers of the shingles for durability.
- Dries clear (shingles look refreshed).
- EXTEND ROOF LIFE for 15+ years.

✓ SAVES money instead of roof replacement.
✓ Restore shingle FLEXIBILITY
✓ Reinforces shingle strength and resistance to tearing.

5 YEAR WARRANTY

CALL John for a free inspection and quote at 724-475-2460

We also do touchups and repairs on your roof if needed before application. So...
Don't Replace it, REACTIV8 it!

How the ColorBond paint system takes metal roofing to a new level...

Researched & developed over the past 50 years

Understated, yet undeniably beautiful, the COLORBOND® paint system helps protect steel from UV exposure and various weather conditions, including extreme heat and cold, dust, rain, wind and hail. And what is COLORBOND®?

Composed of proprietary paint and pretreatments, the COLORBOND® paint system uses a polymer primer and ceramic (inorganic) finishing coat that's oven-cured to improve adhesion and film integrity and reduce peeling, chipping and cracking. The finish coat also features solar-reflective ceramic pigments, which help conserve energy in homes and commercial buildings and contribute to the sustainability of the installation.

Tested To Last. For over 50 years, COLORBOND® – developed by BlueScope Steel and leading paint companies – has undergone Australian research and development in some of the harshest weather conditions on the planet. In these regions, corrosive environments and high solar intensity can take a toll on painted products. But with COLORBOND® pre-painted steel, surfaces offer superior resistance to corrosion, dirt retention, chalking and color fading and provide excellent gloss retention for lasting beauty.

To see a sample of metal roofing that uses ColorBond technology simply stop by Eastern States Metal Roofing at 7820 Route 474 in Panama, NY or call 716-355-4374.
